A. INPUT - Connection for instrument.
B. VOLUME - Controls overall volume of sound output.
   For "clean" sound, set VOLUME from 1 to 5.
   Provides "natural distortion sound" when VOLUME set from 5 to 10.
   Adjust VOLUME for desired level.
C. OD, CLEAN SWITCH - Turns overdrive control "ON" and "OFF".
D. TREBLE - Provides high frequency equalization as required.
E. BASS - Provides bass frequency equalization as required.
F. HEADPHONE JACK - Used to connect stereo headphones.
   Automatically turns off the internal speaker.
G. POWER ON LED - When illuminated, the SP-10 is receiving AC POWER.
H. POWER SWITCH - Turns amplifier On and Off.

WARNING: This amplifier is equipped with a grounding type supply cord. To reduce the possibility of shock hazard, be sure to connect the unit to a grounded AC receptacle. DO NOT ALTER THE AC PLUG.

WARNING: This amplifier must be earth grounded.

IMPORTANT SAFETY INSTRUCTIONS

WARNING - When using electric products, basic precautions should always be followed, including the following:

1) Read all the instructions before using the product.
2) Do not use this product near water - for example, near a bathtub, washbowls, kitchensink,
   In a wet basement, or near a swimming pool, or the like.
3) This product should be used only with a cart or stand that is recommended by the manufacturer.
4) This product, either alone or in combination with an amplifier and headphones or speakers,
   is capable of producing sound levels that could cause permanent hearing loss. Do not operate for a long period of time at a high volume level or at a level that is uncomfortable. If you experience any hearing loss or ringing in the ears, you should consult an audiologist.
5) The product should be located so that its location or position does not interfere with its proper ventilation.
6) The product should be away from heat sources such as radiators, heat registers, or other products that produce heat.
7) The product should be connected to a power supply only of the type described in the operation Instructions or as marked on the product.
8) This product may be equipped with a polarized line plug (one blade wider than the other).
   This is safety feature. If you are unable to insert the plug into the outlet, contact an electrician to Replace your obsolete outlet. Do not defeat the safety purpose of the plug.
9) The power-supply cord of the product should be unplugged from the outlet when left unused for a long period of time.
10) Care should be taken so that objects do not fall and liquids are not spitted into the enclosure through Openings.
11) The product should be serviced by qualified service personnel when:
   a) The power-supply cord or the plug has been damaged; or
   b) Objects have fallen, or liquid has been spilled onto the product; or
   c) The product has been exposed to rain; or
   d) The product does not appear to operate normally or exhibits a marked change in performance; or
   e) The product has been dropped, or the enclosure damaged.
12) Do not attempt to service the product beyond that described in the user-maintenance instructions.
    All other servicing should be referred to qualified service personnel.

FMIC PART NUMBER
120V : 023-3000-000
Dimensions : Height : 26.5cm (10.5")
            Width : 26cm (10.24")
            Depth : 14.5cm (5.7")
            Weight: 4.2kg (9.26lbs)
Power Output: 10 Watts into 4Ω
Power Req : 120 VAC-60Hz, 28 Watts
1-YEAR LIMITED WARRANTY

FMIC warrants that the SP-10 amplifier you have purchased shall be free of any defects in parts and workmanship if used under normal operating conditions for a period of ONE (1) YEAR from the date of purchase. This warranty shall apply only to the original purchaser. PLEASE RETAIN YOUR SALES RECEIPT, AS IT IS YOUR PROOF OF PURCHASE COVERING YOUR LIMITED WARRANTY. THIS WARRANTY IS VOID WITHOUT SUCH PROOF OF PURCHASE.

Defective amplifiers will be repaired or replaced without charge, at FMIC's discretion, with a like or comparable product by the Dealer if presented with proof of purchase to the Authorized Dealer from whom the amplifier was purchased. Any repair or service performed by any person or entity other than FMIC is not covered by this limited warranty. TRANSPORTATION COSTS ARE NOT INCLUDED IN THIS WARRANTY.

This limited warranty becomes void if the product has been damaged by alteration, misuse, accident, or neglect; or the product has been repaired or serviced by persons not authorized by FMIC. THE FOREGOING CONSTITUTES THE ONLY WARRANTY MADE BY FMIC WITH RESPECT TO THE PRODUCT AND IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED. Any implied warranties, including without limitation, any implied warranties of merchantability or fitness for any particular purpose, imposed under state law are limited to the duration of this limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not be applicable to you.

FMIC ASSUMES NO LIABILITY FOR PROPERTY DAMAGE RESULTING FROM FAILURE OF THIS PRODUCT NOR ANY LOSS OF INCOME, SATISFACTION OR DAMAGES ARISING FROM THE LOSS OF USE OF SAME DUE TO DEFECTS OR AVAILABILITY OF SAME DURING SERVICE.

*This warranty applies only to products purchased and serviced within the U.S.A. and Canada. Warranties outside these countries are as defined by the authorized FMIC Distributor for your country or region, and may vary from the above in terms and/or length.
